

Encapsulated Lifebuoy Rescue line Installation and use Instructions

Step 1: Take out the encapsulated Lifebuoy Rescue Line. Make a loop at the end of the lifeline.

Step 2: Remove the plastic cap from the bottom of the plastic body.

Step 3: Pass the rope of the encapsulated lifebuoy rescue line over the lifebuoy ring as in the photo.

Step 4: Pass the plastic body through the loop as in the photo.

Step 5: Place the plastic body in the middle of the lifebuoy ring with the bottom attached to it. Please note that the black rubber should be removed.

Step 6: Firmly press the top side of the plastic body in order to fit in the lifebuoy ring.

Step 7: Final assembly image .
